

Welcome to Camp Shiloh 2009!!

It is crazy to believe that camp is just around the corner. We have made more changes this year. (We are bringing back our own cooks too!) They are really good changes but could affect who can come and who can't!!

Our theme this year is **IGNITE**. We will be talking about how to light the fire in our lives! ☺

We are moving to Camp Lutherwood! It is a beautiful camp with 105 acres of nature. It is going to be wonderful! We will have a high ropes course, a climbing wall, archery, a blob and actual cabins to stay in. It is located right on Lake Samish. This is an incredible opportunity. We are very excited.

The dates have also changed! The first week of camp will be June 21-June 27. The second week of camp will be June 28-July 4. We will not have the fire works again this year because we will be leaving in the afternoon, so you will all be able to spend the 4th of July with your families!

Please note that all of your paper work will have to be in early this year. **I will need to have everything turned in by April 30!!** Space is limited so be sure to send in your paper work even if you are not positive that you can come!! Please let all of your friends know that they can contact me for paper work or they can go on line and print it up!

Please be sure to have a **teacher and a youth pastor or pastor** at your church fill out the confidential character reference. I need to have two references filled out! Please do not fill out one of these forms for your friend or about yourself!

Please remind your teacher and youth pastor or pastor that I need to have the references in by April 30! Keep bugging them until they send it off!! Also please be sure to turn in all of your paper work! We really are limited on space this year so I will not be accepting late paper work!

We are not doing a fund raiser this year, but we are asking businesses and local sponsors to be part of a matching program. The cost to run our camp is about \$400 a camper and we are trying to keep the cost down so we only charge \$199 per camper. We are asking local businesses to match that amount and in doing so, they are basically sponsoring a camper to go to camp. If you know of anyone who might be willing to donate money or be one of our sponsors, please let me know! Thank you so much!

Please remember that the dates are early, the location has changed and your paper work needs to be in by April 30th! That does not give you much time. Please complete the paper work and send it back in as soon as you can!!

Thank you for your willingness to be a part of Camp Shiloh 2009! We are excited to see what God is going to do at camp this year!!

In His Services,
